### **Bulk purchases - electricity**

The National Energy Regulator of South Africa (NERSA) is responsible for price determination of the bulk costs for electricity. Bulk electricity costs are consistently much higher than inflation, having gone as high as 17.8 per cent in the 2021/22 municipal financial year. Eskom's need for increased funding means that over the period ahead they are applying for much higher tariff increases. In their Multi-Year Price Determination (MYPD 5) application Eskom requested approval for municipal bulk tariff increases of 20.5 per cent in 2022/23, 15 per cent in 2023/24 and 10 per cent in 2024/25. NERSA rejected this revenue application at the end of September 2021 and in October 2021 ESKOM filed an application in the High Court to review NERSA's decision. Following the deliberations, NERSA has approved a 9.6 per cent tariff increase for Eskom starting from April 2022.

The municipality budgeted for an increase of a 11.6 per cent tariff increase for 2022/23, 15 per cent in 2023/24 and 10% per cent in 2024/25.

## **PART 2 - SUPPORTING DOCUMENTATION**

### **2.1 BUDGET PROCESS OVERVIEW**

#### **POLITICAL OVERSIGHT OF THE BUDGET PROCESS**

Section 53 (1) (a) of the MFMA (no 56 of 2003) stipulates that the Mayor of a municipality must provide general political guidance over the budget process and the priorities that must guide the preparation of a budget.

Political oversight of the budget process is necessary to ensure that the needs and priorities of the community, as set out in the IDP, are properly linked to the municipality's spending plans.

#### **SCHEDULE OF KEY DEADLINES RELATING TO THE BUDGET PROCESS**

The Executive Mayor must, according to the MFMA, co-ordinate the processes for preparing the Annual Budget and for reviewing the municipality's IDP and budget-related policies. The Executive Mayor therefore tabled a schedule of key deadlines with regards to the budgetary process and the review of the municipality's IDP, in council in August 2021.

## 2.2 ALIGNMENT BETWEEN BUDGET AND THE INTEGRATED DEVELOPMENT PLAN (IDP)

## **2.3 BUDGET-RELATED POLICIES OVERVIEW AND AMENDMENTS**

All budget related policies will be workshopped with council in April 2022 and any amendments will be tabled and approved with the final budget on or before the 31<sup>st</sup> of May 2022.

## **2.4 OVERVIEW OF BUDGET ASSUMPTIONS**

The following budget assumptions were taken into consideration when preparing the 2022/23 Medium Term Expenditure Framework (MTREF):

- National Treasury's guidelines and macroeconomic policy;
- National, Provincial and Local economic conditions;
- The municipality's Integrated Development Plan (IDP);
- Electricity tariff increases as approved by the National Electricity Regulator of South Africa (NERSA);
- Service charges tariff increases are proposed (electricity 9 per cent, water 6 per cent, sanitation 6.0 per cent and refuse 9.0 per cent);
- Property rates tariff increase by 5 per cent;
- Cash flow and revenue collections are projected 70 per cent for water, sanitation 85 per cent, refuse 80 per cent, electricity 95.0 per cent and property rates 80.0 per cent;
- Other sundry tariffs will increase by 6%;
- The remuneration of the Municipal Manager and Senior Managers directly accountable to the Municipal Manager were budgeted in accordance with the actual cost published in the Government Gazette on the Local Government: Upper Limits of Total Remuneration Packages Payable to Municipal Managers and Managers Directly Accountable to Municipal Managers published by DCoG on the 20 March 2020. Over the 2022/23 Medium Term Revenue & Expenditure Framework an increase of 5% year on year were budgeted as well as a performance bonus of 10%, capped on their annual packages.
- The Salary and Wage Collective Agreement for the period 1 July 2021 to 30 June 2024, as approved by the Bargaining Committee of the Central Council in terms of Clause 17.3 of the Constitution, was used to budget for employee related costs for the 2022/23 MTREF. In terms of the agreement, all employees covered by the agreement shall receive with effect from 1 July 2022 and 1 July 2023 an increase based on the projected average CPI percentages for 2022 and 2023. The municipality budgeted for an increase of five percent for 2022/23 and 2023/24 financial years.
- Provision was made for the 2.4% notch increase to those who qualify, SALGA in terms of Circular WC 09 of 2021/2022 communicated that the salary and wage increase for the period 1 July 2022 to June 2023 will be 4.9%.

- The current Collective Agreement will come to an end at the 30th of June 2023 than a new round of negotiations will commence, based on the CPI forecast of 2024/25 as per the Municipal Budget Circular for the 2022/23 MTREF of the 4th of March 2022, the municipality budgeted for an increase of five percent for the 2024/25 budget year.
- The of remuneration of councillors were budgeted in accordance with the actual cost of the 2021/22 Government Gazette on the Remuneration of Public Office Bearers Act: Determination of Upper Limits of Salaries, Allowances and Benefits of Different Members of Municipal Councils published annually by DCoG and were increased year on year with 5% over the 2022/23 Medium Term Revenue & Expenditure Framework.
- The National Energy Regulator of South Africa (NERSA) is responsible for price determination of the bulk costs for electricity. Bulk electricity costs are consistently much higher than inflation, having gone as high as 17.8 per cent in the 2021/22 municipal financial year. Eskom's need for increased funding means that over the period ahead they are applying for much higher tariff increases. In their Multi-Year Price Determination (MYPD 5) application Eskom requested approval for municipal bulk tariff increases of 20.5 per cent in 2022/23, 15 per cent in 2023/24 and 10 per cent in 2024/25. NERSA rejected this revenue application at the end of September 2021 and in October 2021 ESKOM filed an application in the High Court to review NERSA's decision. Following the deliberations, NERSA has approved a 9.6 per cent tariff increase for Eskom starting from April 2022. The municipality budgeted for an increase of a 9.6 per cent tariff increase for 2022/23, 15 per cent in 2023/24 and 10% per cent in 2024/25.
- Bulk purchased for water were increased with CPI.
- Other expenditure items were increased in line with inflation whilst others were increase in line with existing contract conditions.

## **EXEMPTIONS, REDUCTIONS AND REBATES**

### **RESIDENTIAL PROPERTIES**

The first R15 000,00 of the market value as per the valuation Roll on Residential Properties as set out in Section 17(1)(h) of the MPRA is exempted from paying property rates; and R4000 reduction determined in the Rates Policy.

Rebates in respect of a category of owners of property are as follows:

Owners of National Monuments qualify for a 10% rebate on the business tariff provided that the rebate will only be granted if –

- The building is in a satisfactory condition, and
- The Director Engineering Services has during the second Month of each financial year submitted a report that the building is in a satisfactory condition in order that the municipality may consider whether or not to grant a rebate.

### **AGRICULTURAL**

As a result of, and taking into account, limited rate-funded services supplied to such properties in general, the contribution of agriculture to the local economy, the extent to which agriculture assists in meeting the service delivery and development obligations of the community, and the contribution of agriculture to the social and economic welfare of farm workers, the council bills a reduced rate (as set out below) in respect of properties subject to agricultural use.

This rate rebate is 75% of the rate levied on Residential Properties, which rate on properties subject to agricultural use does not exceed the maximum ratio to the rate on Residential Property prescribed in the MPRA Rate Ratio Regulations.

The council will, when it imposes rates and sets tariffs for the budget year, grant an additional rebate of 70% on the rates payable in respect of agricultural properties where –

- there are no municipal roads next to the property;
- there are no municipal sewerage to the property;
- there are no municipal electricity to the property;
- water is not supplied by the municipality;
- refuse removal is not provided by the municipality.

No other rebates will be granted to properties that qualify for the Agricultural rebate. For the avoidance of doubt properties that qualify for the agricultural rebate will not be entitled to the residential rate rebate.

#### **Pensioners**

Registered owners of Residential Properties who are pensioners qualify for special rebates according to gross monthly household income of all Pensioners permanently residing on that property. To qualify for the rebate a property owner must be the registered owner of a property which satisfies the requirements of the definition of residential Property. This property owner must on 1 July of the financial year:

- Occupy the property as his/her Primary Residence, and
- Be at least 60 years of age, or
- Has been declared medically unfit even if not yet 60 years of age, and
- Be in receipt of a gross monthly household income not exceeding the amount determined by Council during the Municipality's budget process.
- Must annually submit proof to the CFO that he or she is registered with the Department of Social Development as a recipient of an old age or disability grant.

- Market value of the property not exceeding R750 000

R1 985 and under      30%

R1 896 to R3 970      20%

R3 971 to R7 500      10%

An owner must annually provide credible proof of his or her economic/financial position to the CFO.

## SCHOOL

- The municipality will grant a rebate of 20% on the rates payable in respect of property used for a public school.
- The municipality will also grant a rebate of 20% on the rates payable in respect of property used as an independent school.

An owner of the property on which a public school is operated must annually submit proof to the CFO that the school is registered with the Provincial Department of Education as an independent school.

Rebates in respect of residential properties will be granted in accordance with the municipality's rates policy.
