

# Invitation

Dear Stakeholder

You are hereby invited to attend a **Public Participation Workshop** that will be held at various venues across the Western Cape as part of the development of the **4th Generation Western Cape Integrated Waste Management Plan (WC IWMP) (2027-2032)**. The Draft WC IWMP will be made available to stakeholders for a 30-day public comment period commencing on 16 September 2026 and will be available at the following link <https://www.westerncape.gov.za/eadp/waste-management>.

The workshops are intended to present the findings of the draft plan and provide stakeholders with an opportunity to share their inputs, comments, and recommendations. Kindly register for your preferred workshop by using the link below:

Integrated Waste Management Planning is a basic requirement of all waste management activities in terms of the National Environmental Management: Waste Act, 2008 (Act No. 59 of 2008) (NEMWA) for government. The Waste Act requires that the development of an IWMP must follow a public participation and consultation process.
